HADITH: A FORMULA FOR UNITY AMONG MUSLIMS

Beware of suspicion, for suspicion is the worst form of lying. Neither should you spy nor eaves drop on one another; do not compete maliciously with each other; do not be jealous of each other; do not hold grudges; and never should you plot and conspire against each other; instead, be together like brothers, O Servants of Allah! (Saheeh Muslim)

This HADITH condemns the following evil characteristics: Suspicion, Spying, Competing in worldly matters to spite others, Jealousy, Malice, and Conspiring for evil.
